This is a decision on the PETITION UNDER 37 CFR 1.181 TO WITHDRAW THE FINALITY OF THE OFFICE ACTION, dated June 7, 2006.

On April 7, 2005, a non-final Office Action was mailed to Applicants. A reply to the Office Action was filed on July 7, 2005. On September 16, 2005 a second non-final Office Action was mailed to Applicants. A reply to the Office Action was filed on December 16, 2005. On March 3, 2006, a Final Office Action was mailed. On June 7, 2006, the present petition was filed.

Petitioner has argued that the finality of the last Office Action is incomplete in that the Office Action does not specifically set forth separate rejections for all the dependent claims, in particular dependent Claims 14, 19, 23, and 25.

DECISION

37 CFR § 1.181 Petition to the Director.

(f) The mere filing of a petition will not stay any period for reply that may be running against the application, nor act as a stay of other proceedings. Any petition under this part not filed within two months of the mailing date of the action or notice from which relief is requested may be dismissed as untimely, except as otherwise provided. This two-month period is not extendable.

The instant petition was submitted by Petitioner on June 7, 2006 which falls more than two months after the date of the Final Office Action (March 3, 2006) thereby making the instant petition untimely under 37 CFR 1.181 (f).

The Petition is **DISMISSED**.
